

SoreLess Throat

FOR OVERNIGHT SORE THROAT RELIEF

Soreless Throat Spray - is an oral spray intended to relieve or prevent sore throat (pharyngitis) during sleep.

About pharyngitis, Sore Throat.

Causes

Pharyngitis – Sore throat is mainly caused by virus or bacterial infection. The bacteria that causes the majority of throat infections such as strep throat and tonsillitis, is called streptococcus group A (strep A).

A sore throat is most commonly caused by viral infections such as the common cold, but can also be brought on by anything that irritates the sensitive mucous membranes at the back of the mouth and throat.

Breathing through the mouth can produce throat dryness and soreness

Sinus drainage (post nasal drip) may cause a sore throat.

A sore throat can also be related to other problems, such as allergies or even reflux, when stomach acids are regurgitated into the back of the throat. Some sore throat are simply caused by irritants in our environment or by the "over" use of our voice.

During cold weather, the dry heat indoors can cause a sore throat, especially in the morning. Also, being around smoke, drinking alcoholic beverages and eating spicy foods can cause a sore-throat.

Soreless Throat Spray - Mode of Action

Soreless Throat Spray takes advantage of the ability of certain oils to relieve and alleviate pain; these oils are added to the preparation in order to eliminate or alleviate sore throat during sleep.

Soreless Throat Spray aim in treating, soothing or reducing the severity of sore throat during sleep. **Soreless Throat Spray** provides an oily coating to the throat based on herbal oil ingredient known for their relieving, soothing and alleviating potential. The oily coating, forms a thin protective film avoids from bacteria and yeast to develop or settle on the pharyngs, thus protects and reduces the severity of pharyngitis.

Soreless Throat Spray - is a pump-spray intended to cote the throat with a thin oily layer of oils with healing effect and thus avoid or reduce throat pain, avoid bacteria to grow on the throat and heal the damaged tissue.

Soreless Throat Spray - is all natural and preservative, sugar and alcohol free.

Ingredients: Almond oil, Marjorm oil, Myrrh oil, Chamomile oil, Orange oil, Spearmint oil, Mono-Ammonium Glycyrrhizinate.
